Equipping our students to stand tall: To be the best people they can be and, by becoming life-long learners, reaching their best potential.

KNOWLEDGE-ATHON - ONLINE SPONSORED FUNDRAISER

Te Atatū Intermediate School is running an online sponsored Knowledge-athon Fundraiser to raise funds to support the school in providing a range of enriching learning opportunities, enabling our school to go above and beyond for all our learners.

Fundraising makes a huge difference in enhancing our students' overall school environment and educational outcomes. Funds raised will go towards the purchase of learning resources for students, including Chromebooks and other learning support materials. The more funds we can raise, the more resources and opportunities we will have for our current and future students.

How will this fundraiser work?

This year we have partnered with online fundraising company Go Raise It. Collecting sponsorship online makes it super easy for everyone - no more door knocking, your child can collect more donations from further afield (friends & family living overseas, work colleagues etc) and no need to worry about handling cash!

How do I sign my child up to fundraise online?

Each child can sign up for their very own fundraising web page to send out to collect online sponsorship from anyone, anywhere!

- Just go to our Fundraising Hub page at:
<https://teatatuintermediateknowledgeathon.raiseit.co.nz/hub>
- Click on the SETUP A FUNDRAISING PAGE button
- If you need any help email help@raiseitfundraising.com for direct assistance

Multiple children in your family?

No problem, all children can sit under the same email address. You'll find a button to set up another page while logged in to the fundraising account you created first.

Do I have to sign up for an online account to fundraise?

We would love everyone to have an online account as this allows the school to significantly reduce the administration overhead of collecting and dealing with cash. Go Raise It adheres to strict cyber-safe guidelines and this is built into our fundraising website. If you really do not want an online fundraising page, and still want to participate please check with the school office to see if you can collect cash.

Key Information:

- All sponsorship is done online on our Raise It website.
- Prizes will be awarded for the most money collected - individual and class.
- Spot prizes will be given out for setting up a fundraising page

Please email Kelly Clarke if you have any questions- Kelly.c@teatatu.school.nz

Thank you for supporting your child and Te Atatū Intermediate School with our fundraising and learning.
