Tēnā koutou katoa o Te Atatū Intermediate whānau

As we head towards the end of the school year, there is still plenty happening around Te Atatū Intermediate, particularly with our 60th Jubilee celebrations now just one week away!

With so much happening behind the scenes, we've kept this edition of our pānui a little shorter than usual, focusing on the important events, information and dates coming up over the remainder of Term 4.

The final preparations for our Jubilee are coming together, and there has certainly been plenty of activity around the school! Our classes have been working hard creating products for Friday's Student Market Day, and we hope to see plenty of our school whānau come along from 12 noon to see and purchase the fantastic products our students have been making. It promises to be a special weekend as we welcome past and present students, staff, whānau and our wider community to celebrate 60 years of Te Atatū Intermediate.

We also have some fantastic student achievements to celebrate. On Wednesday, our two EPro8 teams achieved an outstanding result at the West Auckland School Heats, taking out both 1st and 2nd place! Congratulations to The Room 3 Musketeers, who secured 1st place, and Room 9 Mecha Builders, who finished a very close 2nd. Both teams have now qualified for the Auckland Semi Finals in a few weeks. A special thank you to Mr Dempsey for his work preparing our students for the competition. We are incredibly proud of their efforts and wish them all the best for the next stage.

I would also like to wish our kapa haka rōpū all the very best as they take the stage at Te Kahu o Te Rēhia tomorrow, Saturday 7 November, at Matipo Primary School. Our students will perform at 2.30 pm, and I know they will represent our school with pride. This competition is always a wonderful community event, and I encourage whānau to head along and show their support. Entry is $5.

Finally, as we move further into the summer months, a reminder that all students need to bring and wear their school hat during the school day. With the warmer weather upon us, it is important that we continue to take care of ourselves and stay sun safe.
Have a great weekend

Ngā mihi

60TH JUBILEE STUDENT MARKET DAY – FRIDAY 13 NOVEMBER

12:00 PM–2.30 PM | TE ATATŪ INTERMEDIATE SCHOOL GROUNDS | FREE ENTRY

Our students have been busy preparing for one of the highlights of our 60th Jubilee celebrations — our Student Market Day!

Over the past few weeks, all 15 classes have been working hard to plan, design and create a fantastic range of handmade products inspired by the decades of Te Atatū Intermediate's history. From the 1960s and 70s through to the 80s, 90s, 2000s and 2010s, each class has been putting its own creative spin on the past 60 years.

There has been plenty of creativity, teamwork, problem-solving and hands-on learning happening across the school, and our students are excited to share the results of their hard work!

We warmly invite our current school whānau, past students and wider community to come along from 12 noon on Friday 13 November to explore the stalls, discover the amazing products our students have created and enjoy some delicious treats.

Our students have put an incredible amount of mahi into preparing for this special occasion, and we would love to see plenty of whānau come down to support them and celebrate their efforts.

Everyone is welcome — we can't wait to see you there!

HOW DO JUBILEE TICKETS WORK?

To make purchasing easier on the day, our Student Market Day will operate using special Jubilee Tickets instead of cash.

- Each Jubilee Ticket costs $2.00.
- Products and food will be priced at a set number of tickets. For example, an item costing $6 will require three Jubilee Tickets.
- Tickets can be pre-purchased through Kindo and will be distributed to students before Market Day.
- A ticket booth will also be available on the day if you need to purchase additional tickets.
- Students will not be handling cash at their stalls — all purchases will be made using Jubilee Tickets.

Join us for a relaxed evening of music, reminiscing and catching up with familiar faces. There will be a photobooth to capture some new memories, a bar serving refreshments, and delicious food available to purchase from Wedg Ave Pizza.

Tickets are just $30 per person, and the evening is open to all past students, staff and friends of Te Atatū Intermediate aged 21 and over.
