## COLOUR RUN - ONLINE SPONSORED FUNDRAISER

Get ready for the most colourful day of the year!

Te Atatū Intermediate School are running a Colour Run fundraiser to raise funds to support our students.

Our students are excitedly gearing up for an enriching adventure at Carey Park Camp this June as part of our Education Outside The Classroom (EOTC) program. However, we need your support to ensure every student can participate fully. Each student's individual cost for this invaluable experience amounts to \$270, covering meals, accommodation, all activities, and trained instructors.

Carey Park Camp offers a unique opportunity for our students to step out of their comfort zones, forge new friendships, and develop essential life skills such as problem-solving and resilience. By contributing to our fundraising efforts, you're not only helping to offset the financial burden for families but also investing in the growth and development of our future leaders.

Funds raised will go towards each individual child- to offset the cost of their own camp experience. If a student fundraises beyond their individual camp expenses, the surplus will be directed towards assisting another child who may face financial constraints to participate in the Carey Park Camp experience.

Thank you for supporting Te Atatū Intermediate School.

### How will this fundraiser work?

This year we have partnered with online fundraising company Go Raise It. Collecting sponsorship online makes it super easy for everyone - no more door knocking, your child can collect more donations from further afield (friends & family living overseas, work colleagues etc) and no need to worry about handling cash!

### How do I sign my child up to fundraise online?

Each child can sign up for their very own fundraising web page to send out to collect online sponsorship from anyone, anywhere!

- Just go to our Fundraising Hub page at: <https://teatatuintermediateknowledgeathon.raiseit.co.nz/hub>
- Click on the SETUP A FUNDRAISING PAGE button
- If you need any help email [help@raiseitfundraising.com](mailto:help@raiseitfundraising.com) for direct assistance

### Multiple children in your family?

No problem, all children can sit under the same email address. You'll find a button to set up another page while logged in to the fundraising account you created first.

### Do I have to sign up for an online account to fundraise?

We would love everyone to have an online account as this allows the school to significantly reduce the administration overhead of collecting and dealing with cash. Go Raise It adheres to strict cyber-safe guidelines and this is built into our fundraising website. If you really do not want an online fundraising page, and still want to participate please check with the school office to see if you can collect cash.

### Key Information:

- All sponsorship is done online on our Raise It website.
- Prizes will be awarded for the most money collected - individual and class.
- Spot prizes will be given out for setting up a fundraising page
