

# TE ATATŪ INTERMEDIATE

## *Tū Tāngata*

*Equipping our students to stand tall: To be the best people they can be and, by becoming life-long learners, reaching their best potential.*

## MESSAGE FROM MR EVANS - TUMUAKI

### **Tēnā koutou katoa o Te Atatū Intermediate whānau**

We hope you all had a fantastic summer and are ready to "Mix It Up in '26!"

Our first full week of school is behind us, and it's been wonderful to see our former Year 7s return a little taller and stepping confidently into their new roles as Year 8s.

To our Year 8 whānau, we're excited for another year of leadership and growth. Our Year 8 students are now our student leaders, and we look forward to seeing them shine in this role.

To our Year 7 whānau, thank you for attending our whānau hui day. Early connections like these strengthen the home-school partnership, which is so important to each student's success.

Thank you for ensuring students started the year well-prepared, in the correct uniform, and with all their stationery — these small steps set them up for a great year. We also encourage students to wear their school hat and bring a water bottle, particularly during the warmer months. Please ensure all uniform items are clearly named so lost items can be returned quickly. Inside this newsletter, you'll find lots of key information about sports, music lessons, school badges, and more. We're looking forward to a 2026 filled with new opportunities, achievements, and memorable experiences for all our ākonga.

We are proud to announce our new Kaunihera team for 2026, led by our Head Boys & Girls for the year: **Sharn R10, Johann R3, Rose R3 & Naomi R10**. Our Kaunihera members are: **Seth R2, Catherine R14, Billy R5, Quinn R5, Jack R13, Reanna R12, Jude R13, Joshua R12, Eunyul R14, Griffin R15, Erika R4, Jones R6, Kiri R1, Davin R9, Ava R6**

We look forward to seeing these students lead, inspire, and uphold the values of their waka throughout the year. Ka mau te wehi!

# OUR RĀKAU RANGATIRA AND WAKA VALUES

At TAI, our core school values underpin everything we do - in learning, relationships, and how we care for our environment.

These values guide our decisions, shape our culture, and support our ākonga to thrive. They are reflected in our WAKA framework:

## WHANAUNGATANGA

Fostering connection and a strong sense of belonging for all students in an inclusive environment.

## ATAWHAI

Encouraging kindness, consideration, and care in our interactions with one another.

## KAITIAKITANGA

Taking responsibility for our environment, resources, ourselves, and others.

## AKO

Building respectful partnerships between students, staff, and whānau so learning can take place in a safe and supportive environment.

As part of living these values, and through our ongoing partnership with Te Kawerau ā Maki, our kura is proud to introduce our Rākau Rangatira for 2026. This kaupapa strengthens our connection to Aotearoa, our whenua, and our school environment, reflecting the deep knowledge and guidance generously shared by Te Kawerau ā Maki.

Our four guiding rākau are **Kauri**, **Kōwhai**, **Pōhutukawa**, and **Tōtara**. These significant native trees symbolise strength, resilience, growth, and identity — qualities we strive to nurture in all of our ākonga. Each of these rākau is present on our school grounds, creating a living connection between our learners, the natural environment, and Aotearoa's unique native flora.

The Kauri holds particular significance for Te Kawerau ā Maki as a taonga that represents their deep historical and spiritual connection to the forests and land of the wider Auckland region. By including Kauri within our Rākau Rangatira kaupapa and on our grounds, we acknowledge and honour this relationship while embracing the lessons of endurance, strength, and growth it represents.

Through these guiding rākau and values, our ākonga experience a stronger sense of belonging, identity, and respect for Te Ao Māori, while seeing the living symbols of our partnership every day.

We look forward to growing this kaupapa together and thank you for your continued tautoko.

MUSIC AT TAI

On behalf of the Music Department, we welcome you to Te Atatū Intermediate.

We take pride in offering our students a range of musical opportunities.

In addition to classroom music, we provide instruction in various instruments.

Research shows that playing a musical instrument enhances reading, numeracy, communication, and social skills. We have seen the positive impact this has had on our students, many of whom become leaders and top achievers in their educational journeys.

*It is now your child's turn to "Give it a go!"*

*Join us for this special evening to explore which instrument they might like to learn.*

**Thursday 19 February**

**6:30 PM in the hall**

**Our school offers free group tuition in the following instruments:**

Violin, Trumpet, Trombone, Euphonium, Flute, Clarinet, Saxophone, and Percussion (excluding the Drumkit).

*Students who choose to learn these instruments will be expected to participate in a performance group.*

**Our performance groups include:**

String Ensemble, Beginner Concert Band, Advanced Concert Band, and Rock Bands (by audition).

**Private tutors offer paid individual lessons in:**

Keyboard/Piano, Guitar, Bass Guitar, and Drum Kit for \$30 - \$35 per lesson.

*Group lessons in Guitar may be possible in consultation with the tutor.*

Students must provide their own instruments. Most instruments can be rented for \$160 to \$400 per year, depending on the instrument.

The school has a limited number of instruments available for hire.

Band students would also need to purchase the tuition book "Tradition of Excellence" for around \$48 and Violin students, \$23.

*For further inquiries, don't hesitate to get in touch with us.*

# MUSIC AT TAI

## CLASSROOM *Music*

Learning through music stimulates creative action and responses by engaging and connecting thinking, imagination, senses and feelings.

In music, students learn to work independently and collaboratively. Learners in the arts are able to view their world from new perspectives.

All TAI students in Year 7 & 8 participate in the class music programme. They come with half their class for 2 terms, (approx 14 - 16 hrs).

Students experience a diverse programme that includes hands-on playing, listening, creating, and some use of technology in music.

*Appreciating, Creating, Listening, Moving*  
*Body percussion*  
*Bucket drumming*  
*Computer composition*  
*Keyboard*  
*NZ music*  
*Percussion instruments*  
*Rhythm reading*  
*Singing*  
*Ukulele*

## BAND *Programme*

FREE GROUP LESSONS AVAILABLE IN

*Trumpet*  
*Trombone*  
*Euphonium*  
*Flute*  
*Clarinet*  
*Saxophone*  
*Percussion (not drum kit)*

Lessons are group-based and run for 30 minutes. Students leave class at their allocated time to attend lessons alongside other students learning the same instrument.

Students are required to provide their own instrument. Most instruments can be rented for an annual fee of approximately \$200-\$400, depending on the instrument, with a limited number also available for hire through the school.

Students will also need to purchase the tuition book *Tradition of Excellence*, which costs approximately \$48.

## VIOLIN *Programme*

FREE GROUP LESSONS AVAILABLE

These are all group lessons for 1/2 hour at a time.

Students are required to provide their own violin.

Violins are available for hire from \$160 per year.

The school has a limited number of violins available for hire.

Students would also need to purchase the tuition book for \$23

## PRIVATE *Lessons*

PRIVATE TUTORS AND PRIVATE LESSONS ARE AVAILABLE IN

*Piano/Keyboard*  
*Guitar*  
*Bass Guitar*  
*Drum kit*

Private tutors are available to provide **paid** individual lessons at \$30-\$35 per half hour lesson.

Group lessons in guitar in negotiation may be arranged with the tutor.

Students need an instrument at home to practise on.

## TATMUZE *@ TAI*

On Fridays: instrument lessons, Rock band and drum squad

### ROCK BANDS

Singers, Guitarists, Keyboard players, Drummers and brass players.

### TAI DRUM SQUAD

A big percussion group that anyone can join.

### HOLIDAY PROGRAMMES

# SPORT AT TAI

TAI offers four different levels of sport, giving students the opportunities to play anywhere, from social fun to top-level competition.

## LEVEL ONE

The focus here is on "having a go," school spirit, and staying active with friends. These are "open" to everyone.

- Lunch time sports - Focuses on Inter-Class and Inter-Mini School competition.
- Afterschool social league - Sports like Basketball, Netball, Running Club and Waterpolo. *These rely on our community of parent volunteers.*
- Major school (inhouse) events - Our annual sporting events. Everyone participates, from those aiming for records to those dressing up in Rākau colours for fun. Athletics Day, Waka Wars, Colour Run.

## LEVEL TWO

The focus shifts to skill, teamwork, and representing the school

- Zone Day Sports - This level involves one-day tournaments against West Auckland schools. Entry into these teams is via a trial process. The Sports Coordinator appoints coaches for each code, and team selection is determined by a combination of technical skill and player attitude. *Teams that secure first place at the Waitakere Zone level qualify to compete in the Auckland Championships.*

## LEVEL THREE

The highest level of commitment, designed for athletes who want to push their limits.

- Sports Camp - A week-long competition at Totara Springs, Matamata, against schools from the Auckland, Waikato, and Bay of Plenty regions. Students compete across more than 20 codes, ranging from rugby, netball, and volleyball to petanque, chess, and croquet. This event is highly competitive, and we will send out best team. Once teams are selected, students are expected to be 100% committed to the designated training programme. *This year, trials will begin term 1 for Year 8s only.*

## LEVEL FOUR

Elite performance and National Excellence

- NZAIMS - The Zespri AIMS Games is the pinnacle of intermediate school sport in Australasia. Held annually in Tauranga, this week-long national tournament. *We only send individual athletes to compete in their specific codes rather than sending full teams. Participation requires formal permission from the Senior Leadership Team (SLT) and the Board of Trustees.*

## SPORTS SIGN-UPS: HOW IT WORKS

To help our families stay organised, we have a streamlined process for sports registrations.

Here is everything you need to know:

### 1. STAY INFORMED

Information regarding sign-ups and upcoming training sessions will be sent via email. However, students are also encouraged to take initiative by checking:

- The Student Notices on the Landing Page
- The Sports Board (Located in the student foyer, opposite the staffroom)

### 2. THE SIGN-UP PERIOD

During the designated sign-up week, registration happens at the covered courts.

- When: Every lunchtime for the first 15 minutes only.
- How: Students find the sheet for their sport and sign up with our Student Leaders.
- Important: If the leaders have left the courts (after the first 15 minutes), the sign-up window for that day has closed.
- Note: Occasionally, a single sport may have a separate sign-up period, which will be communicated individually.

### 3. GENERAL INFORMATION & FEES

Once the week concludes, I will collect the data and send a general update to parents.

- For sports with fees: You will receive an "Expression of Interest" form. This outlines the costs and event details so you can confirm your child's participation.

### 4. TRIALS & ZONE DAYS

If a sport requires trials, dates and times will be communicated via email and the sports board.

- Required Gear: It is essential that students have their full PE gear and any necessary sport-specific equipment on trial days.
- Zone Days: These require trials as we take our strongest teams to compete against other schools across Auckland.
- If a student doesn't make a Zone Day team, we offer lunchtime opportunities throughout the year for everyone to enjoy these sports.

### 5. FINAL PERMISSION

If your child is selected for a team, you will receive a final email containing the Permission and Health Forms.

## WHAT'S ON IN TERM ONE

### LEVEL ONE

Waka Wars  
Running Club  
Orienteering Sprint Series  
Wrestling (at Rutherford College)

### LEVEL TWO: TRIALS + ZONE DAYS

*Please note: Trials for some T2 Sports will begin second half of Term 1*

Softball  
Kiwi Tag  
Swimming  
Orienteering  
Tennis  
Waterpolo  
Flag Football

### AFTER SCHOOL SPORTS

Orienteering Sprint Series - \$100  
Wrestling (at Rutherford College) - free

## WHAT'S ON IN TERM TWO

### LEVEL ONE

Football  
Netball  
Basketball

### LEVEL TWO: TRIALS + ZONE DAYS

*Please note: Trials for some of these sports will begin second half of Term 1*

Ki-o-Rahi  
North vs South  
Football  
Netball  
Basketball  
Wrestling  
Hockey

### LEVEL THREE

Sports Camp (Y8 Only)

### AFTER SCHOOL SPORTS

Basketball - fee tbc  
Netball Waitākere - fee tbc

**MEETING POINT: 7:30 AM IN SCHOOL HALL**

# SPECIALIST & TECHNOLOGY LEARNING

Our Specialist programme offers students opportunities to explore creativity, physical wellbeing, performance, and critical thinking through a range of engaging subjects. Students rotate through specialist and technology classes across the year, developing new skills, confidence, and interests along the way.

## **SCIENCE – WITH WHAEA BARBARA**

Students investigate the world through hands-on experiments, problem-solving, and inquiry learning. The focus is on curiosity, questioning, evidence gathering, and thinking like scientists. Optional Science Badges are available for students who want to extend their learning.

## **PE/SPORT – WITH WHAEA VANIA**

Students take part in a variety of inclusive and active experiences that build confidence, teamwork, and a positive attitude toward movement. Lessons include a range of physical activities designed to be fun, engaging, and accessible for all.

## **VISUAL ARTS – WITH WHAEA STACEY**

Students attend Art once a week for two terms, exploring different media, techniques, and creative processes. The year begins with a cultural identity project where students create artwork inspired by their heritage. Optional Art Badges are available for students who wish to extend their creativity.

## **MUSIC – WITH MRS CHALMERS**

All Year 7 and 8 students participate in Music for two terms (approximately 14–16 hours). Students explore creativity through practical activities such as playing instruments, singing, rhythm work, movement, and digital music creation. Learning experiences include bucket drumming, ukulele, keyboard, composition, and exploring New Zealand music, while developing both independent and collaborative skills.

## **DANCE & DRAMA – WITH WHAEA TANIA**

Dance and Drama runs for half the year with each class group. In Dance, students use kupu Māori to create movement and choreography. In Drama, students develop performance skills by writing and performing their own monologues, including pieces inspired by the legend of Māui.

## **CREATIVE MEDIA – WITH WHAEA DEB**

Photography, filming, editing, and stop-motion animation, with a focus on storytelling that informs, entertains, and inspires.

## **FOOD TECHNOLOGY – WITH WHAEA AMANDA**

Students learn to cook famous recipes while developing food safety knowledge and practical kitchen skills.

## **SOFT MATERIALS – WITH WHAEA MARIEE**

Exploration of natural materials, stitching techniques, biomaterials, and creative ways to repurpose plastics and by-products.

## **HARD MATERIALS – WITH MR DEMPSEY**

Students design and build automata (mechanical kinetic toys) while learning to safely use workshop tools and machinery.

Important: On Technology days, students must wear closed-toe shoes (school or PE shoes).

## **TECHNOLOGY WEDNESDAYS & MOTAT VISITS**

During Terms 1 and 2, classes will attend Technology Wednesdays at MOTAT, taking part in the Invent a Machine programme.

Students will explore engineering and design thinking by building machines using levers, pulleys, and gears. Back at school, they'll extend this learning by designing hovercrafts and experimenting with M-Bots.

Together, our Specialist and Technology programmes aim to develop confident learners who are curious, creative, and ready to explore new ideas. We're looking forward to an exciting year of discovery and hands-on learning for all students!

# SCHOOL BADGES

Our school badges are a popular incentive that encourage ākonga to step outside their comfort zones, try new activities, and give their best effort. Badges are proudly stitched onto students' polo shirts – most students choose to dedicate one shirt to display all their achievements.

Students can earn badges by representing TAI in academics, arts, community, cultural, sports, and a range of other areas. Throughout their time at TAI, students have the opportunity to earn multiple academic badges, as well as badges in other areas of school life. Here's how some of our badges work:

## ART BADGE – OUTDOOR ART EXPLORER

Interested students can collect a task sheet from the art room detailing specific requirements and activities designed to inspire creativity and connection with the outdoors. Once completed, all work and reflections are submitted to Whaea Stacey for evaluation. Successfully meeting the criteria earns the Outdoor Art Explorer Badge, celebrating exploration and artistic expression.

## MATHS BADGE – MATHS GOLD CLUB

Each term, students receive a sheet with 400 basic facts questions (100 per operation). Sections must be completed within set timeframes, with Year 7 and Year 8 students having their respective limits. Students who score 100% across all four sections receive the Maths Gold Club Badge. Those scoring 390–399 can attempt a Round 2 to try for a perfect score and earn their badge.

## WRITER'S BADGE

Students can earn a Writing Gold Club Badge by fulfilling the specific publishing and technical requirements for their teacher-designated level. These requirements range from producing three pieces in different genres for Criteria 1 to completing ten pieces—including two long-form works and a leadership component—for Criteria 4. [Criteria can be found here.](#)

## READING BADGE

Reading badges are awarded to students who meet specific reading targets throughout the term. [Targets can be found.](#)

## SCIENCE BADGE

All students can extend their learning through Science Badges, which allow exploration in their areas of interest. This program can continue into high school for students aiming to complete every badge! More information is available [here](#).

By earning badges, our ākonga not only celebrate personal achievement but also develop confidence, pride, and a sense of belonging within the TAI community.

# STATIONERY

We use Qizzle for our stationery, which can be ordered online and delivered to your home or directly to the school.  
Ordering through Qizzle also helps earn rewards for the school with every pack sold.

Each pack includes the required stationery items, except for a calculator and a pencil case. These can be added separately to your pack order.

Online pricing:

Year 7 (& new Year 8 students) pack: \$73.73

Year 8 pack: \$60.70

Free shipping applies to orders over \$69.00

Please note:

-If having your order delivered directly to school, please use your child's name at check-out instead of your own.

-New Year 8 students need to purchase the Year 7 pack, as it includes a required Visual Art sketch pad. (Returning Year 8 students will use their sketch pad from the previous year).

-If your child doesn't have their stationery for the first few days, they can bring a refill pad or an old exercise book until their pack arrives.

-Please ensure all stationery is clearly named.

-Books do not need to be covered, but cover-seal helps keep them neat, secure, and longer-lasting.

-We do not stock any stationery at school.

**ORDER NOW**

*Alternatively, if you prefer to purchase stationery yourself, please refer to the list of required items below.*

# UNIFORM

## **SCHOOL UNIFORM**

Dark navy shorts or trousers

Dark navy skirt (girls)

Teal and navy polo shirt (a long-sleeved black/navy thermal top may be worn underneath)

Teal sweatshirt/Navy jacket

Black calf-length socks/ Black stockings

School cap/bucket hat (Required during term 1 and term 4)

## **PE UNIFORM**

Navy sports shorts

TAI sports shirt

Sports shoes

## **FOOTWEAR**

Black Roman sandals or similar (must-have back strap)

All-black shoes (Converse, Nike, Vans etc are acceptable as long as all black)

## **HAIR/JEWELLERY/OTHER**

Hair of shoulder length or longer must be tied back for safety purposes.

Wear only plain black hair ties.

No piercings are to be worn except for small studs.

No jewellery, except for taonga (religious or cultural) is allowed but must be tucked under clothing for safety.

No makeup – fake eyelashes, fake nails, nail polish, eyeliner etc

### **What happens if I have to wear a non-uniform item to school?**

- Bring a signed note from your whanau to explain the incorrect uniform and when you will have the correct uniform.
- Hand the note to the teacher. Your teacher needs to sign and date when they have received this note.
- Keep this note safe for the duration of time you need.
