# STATIONERY LIST 2022

We have arranged with **Qizzle** for stationery packs required by the school to be available on line for purchase. Each pack contains the list below and attracts small rewards to the school for every pack sold. They try hard to be very competitive so the packs represent good value. You can also buy the stationery from any other shop.

Classes will receive another stationery list in February in case they have lost this one.

*Books do not have to be covered but cover-seal does keep them neat, together and they do last longer.*

## Te Atatu Intermediate School has opted into the Ministry of Education donations scheme

Therefore, as a school, **we do not ask for a school donation**. Below is some information for all parents/caregivers/whānau around the donations scheme:

- We cannot charge you for anything involved in the core learning programme (curriculum), including “subject fees.”
- We can ask you to pay for goods provided that are optional (for example instruments, sports academy)
- You need to provide your child with a uniform but you can choose to buy it from the school/kura or, if available, to buy a new or second hand uniform elsewhere.
- You should not be pressured to buy goods or services from a school/kura but if you agree to buy a good or service, you must pay for it.
- If your child is involved in after school/weekend sports teams or after hours cultural activities (extra-curricular activities), these are optional. If you choose for your child to participate, you may be asked to cover the costs of these activities.
- We can ask for payment towards overnight camps (AIMS tournament). You can make a voluntary donation to your school or kura at any time and if you choose to do this, GST is not payable on the donation and you can claim a tax credit.

### **CORE SCHOOL LEARNING THE SCHOOL WILL PAY**

\***MathsBuddy** - The school pays the \$26 per student fee for this. Maths Buddy is a part of our mathematics programme. It is New Zealand’s leading online interactive maths programme that complements what students learn in class, supporting them to achieve top results. Students may work at their own pace, allowing them to pause and rewind the lesson, practice questions online and receive immediate feedback. Teachers and parents receive regular reports to monitor student’s progress.

**Write That Essay** – The school pays \$24 per student for this. Write That Essay is part of the writing programme. It is an online tool to support students in writing across the curriculum.

\***Class trips** - Class trips that relate to core learning within the curriculum will be covered through the donations scheme. Parents will still need to give permission for their child to attend.

\***Curriculum events** - Any events such as Life Education, shows promoting learning that come to the school etc will be covered within the donations scheme. Again, parents will still need to give permission for these events.

\***Technology** - as technology is part of curriculum, there will be no costs associated to parents from these activities.

### **Opt in activities such as AIMS, sports teams do incur a cost. There are two ways in which these can be paid;**

1. We have EFTPOS, Visa/Mastercard credit card facilities. Cheque and cash transactions are also accepted. Direct payments can also be made to Te Atatu Intermediate School, ASB Bank A/c No. 123038 0270528 01 (Please add Reference: Name of student, event)
2. You are welcome to use Kindo for making payments as well. Go to our website [www.teatatu.school.nz](http://www.teatatu.school.nz) and click on the blue link in the right hand top corner. All you need is your email address which matches the one held at the school.
