On behalf of the Music Department, we are delighted to welcome you to Te Atatu Intermediate. We take immense pride in providing our students with a diverse range of musical opportunities.

In addition to classroom music, we offer tutelage in a variety of instruments and experiences. Research has shown that playing a musical instrument enhances reading and numeracy abilities, as well as communication and social skills. We have witnessed firsthand the positive impact this has had on our students over the years, with many of them emerging as leaders and top achievers in their subsequent educational journeys.

It is now your child's turn to "Give it a go!" Come along to this special evening and see what instrument they might like to learn.

Our school provides free group lessons in the following instruments:

Violin, Trumpet, Trombone, Euphonium, Flute, Clarinet, Saxophone, and Percussion (excluding the Drumkit).

All students who elect to learn these instruments will be expected to participate in an instrumental performance group.

Our performance groups include String Ensemble, Beginner Concert Band, Advanced Concert Band, and Rock Band (by audition).

Private tutors are available to provide paid individual lessons in Piano / Keyboard, Guitar, Bass Guitar, and Drum kit. \$25 - 30 per lesson. Group lessons may be possible in Guitar in negotiation with the tutor.

Please note that students are required to provide their own instruments. Most instruments can be rented for a fee ranging from \$180 to \$400 per year, depending on the instrument. The school also has a limited number of instruments available.

We look forward to seeing you on the 22 February for our "Give It A Go Night!" If you have any further enquiries, please feel free to contact Mrs. Bronwyn Chalmers or Mr. Chad Davenport.
