

Dear Year 8 Students and Parents,

Please find enclosed in this posting a copy of a stationery list from **Eeny Meeny** to help you prepare for your new year as a Year 8 student ready for Term One 2020. I hope you are having a fantastic holiday and that you have had a chance to relax and recharge. I know that you are ready to develop into the best performing student you can be for a brand new year ahead, taking every opportunity to learn and grow.

Here are a few helpful reminders:

Remember you are getting an extra day's holiday – the Year 7s come the day before you on Monday 3rd February. The Kapa Haka group and the mentors come for the morning on Monday though, but all the rest of Year 8s come on **Tuesday 4th February**.

Your stationery list is included – This year, we have gone for ease of ordering through Eeny Meeny, or you can purchase items elsewhere if you wish.

- Please remember – if you have not got your stationery by the time school starts bring pens, paper with you and that will get you by for a few days.
- Make sure your uniform is neat, mended if necessary and clean after the long year you had wearing it last year. Include your PE uniform too because you are sure to need it. You will need your school cap as well.

MR COLLINS, MRS CLARKE AND I WILL MEET YOU ALL UNDER THE CANOPY ON TUESDAY 4TH FEBRUARY IN THE MORNING at 8-40am. You will already know your classes for 2020.

I am looking forward to seeing you all again, ready to be the leaders within the school!

Ngā mihi

Mr Evans

Principal/Tumuaki
