

Dear Year 8 Students and Parents,

Please find enclosed in this posting a copy of a stationery list from **Qizzle (previously known as Eeny Meeny)** to help you prepare for your new year as a Year 8 student ready for Term One 2021. I hope you are having a fantastic holiday and that you have had a chance to relax and recharge. I know that you are ready to develop into the best performing student you can be for a brand new year ahead, taking every opportunity to learn and grow.

Here are a few helpful reminders:

Remember you are getting an extra few day's holiday – the Year 7s come before you. The Kapa Haka group and the mentors come for the morning on Wednesday 3rd February though, but all the rest of Year 8s, your 1st day for 2021 is **Friday 5th February**.

Your stationery list is included – Again, we have gone for ease of ordering through Qizzle, or you can purchase items elsewhere if you wish.

- Please remember – if you have not got your stationery by the time school starts bring pens, paper with you and that will get you by for a few days.
- Make sure your uniform is neat, mended if necessary and clean after the year you had wearing it last year. Include your PE uniform too because you are sure to need it. You will need your school cap as well.

MR COLLINS, MRS CLARKE AND I WILL MEET YOU ALL UNDER THE COVERED COURT ON;

FRIDAY 5TH FEBRUARY AT 8-40am.

You will already know your classes for 2021.

I am looking forward to seeing you all again, ready to be the tuakana/leaders within the school!

Nga mihi

Mr Evans

Principal/Tumuaki
